Foreword

In its fifty consecutive years of publication the *Aurora* has remained true to its name by faithfully illuminating the academic, social, and religious activities of each college year.

With this current edition, the *Aurora* celebrates its golden anniversary. This memorable occasion has been made possible only by the accomplishments of those editors and staffs who have lighted the pathway before us.

The 1963 *Aurora* presents an organized "birds-eye" view of the past academic year, and with its publication another major milestone in its history and in the history of the college has been passed.

As you read or browse through this Golden Anniversary Edition of the *Aurora*, it is our hope that it will serve as a constant reminder that the privileges enjoyed and the knowledge gained at Olivet this year places upon us all the responsibility of Christian stewardship. "For God . . . Commanded the *LIGHT* to shine out of Darkness." (II Cor. 4:6)

Light to Shine out of Darkness . . .

Dedication

Serving Olivet since 1949, the person to whom we dedicate this book has consistently maintained Olivet's ideal of "Education with a Christian Purpose." Capably handling the many duties and responsibilities delegated to his high office, he has provided an inspirational challenge to both faculty and students.

Exemplifying the high ideals and standards of Olivet Nazarene College and leading us not only as an administrator, but as a true friend, we the 1963 AURORA staff, find great pleasure in dedicating this 1963 AURORA to you, Dr. Harold W. Reed.

50th Anniversary of the Aurora

Pictured are the first five Auroras from 1914 through 1919.

This marks the fiftieth consecutive year that the students of O.N.C. have been among the winners in producing top annuals depicting the life on Olivet's campus.

One can say Congratulations or Happy Anniversary, but we'd like to say "Thank you." Thank you Editors, Business Managers, and Staff Members for the magnificent Auroras you have produced across the years. Words can't express our real appreciation, so we plan to show our thanks by continuing to present to our readers the finest in annuals to be found anywhere.

Pictured are the last five Auroras from 1958 through 1962.

Student Life

Every Olivetian has a well balanced schedule of academic and social occupations to fill his college life. Each year the academic schedule is changed to provide for a broader education. Social life also keeps pace with many new activities for the Olivetian.

From the 7:30 a.m. Monday Social Science class to the Sunday evening worship the Olivet student has a share in many events that help to enlighten him. From September to May of each school year the student learns to walk in new LIGHT academically, religiously and socially.

Dean Waldfoegel leads an enthusiastic yell for "Mitch."

Student Body

In the spring an Olivetian's fancy turns to thoughts of . . . politics. The last week in April saw a feverish spirit on the part of three parties—Progressive, Challenge, and Constructive. Students were polled to find out how they would vote. Promises are made not to be kept, not to be broken—all for the sake of politics.

After all the noise had quieted and the results were in, Willie Dishon had won the office of Student Body President. Filling the other offices were Doris Raines, secretary, and Dale Munroe, treasurer.

Adding a touch of humor to the campaign was a fourth party headed up by Ruth Marie Eimer and her little group.

Those playing leading roles were Bob Hayse, Ned Long, Jerry Riddle, Carol Davidson, and Sharon Weeks.

In addition to the student producers and assistants, Dr. Brown and Mrs. Brown were faculty co-ordinators.

The Culminating Climax

Dr. Harold W. Reed, President of Olivet, in speaking at Baccalaureate for the Class of '62 urged them not only to have strong faith in God but also to "live creatively and to be Spirit-filled and Spirit-led."

Olivet conferred degrees upon 151 Seniors at the 49th Annual Commencement on May 31, 1962.

Dr. V. H. Lewis, speaking to the Seniors, held up four dimensions of Life—"Now, Good, Up, and Out." These four are for Today (now); not from tomorrow or yesterday are we able to get meaning out of life. Life must also be "Good," academically, spiritually, and vocationally. "Up" is the dimension of man's relationship with God. "Out" has to do with an "outflowing" rather than "inflowing" life.

Summer School at O.N.C.

409 students attended Olivet during the summer session including the post-summer session from June 11, to August 24, 1962. Courses were offered in all the major field areas.

While the organized social life on campus slowed down considerably from that of the Spring and Fall terms, it was not completely forgotten. One of the highlights was a progressive dinner through the homes of Dr. Sayes, Professor Schwada, Professor Strickler, Dr. Snowbarger, and Mr. Fletcher, with a treasure hunt following.

During these same months, work was done on the buildings of the campus. The Administration Building was given a new look by sand-blasting. Chapman Hall was also sand-blasted, spray-painted and given new doors.

"Mastodon Dig"

A new bone proves to be cause for much excitement and close examination.

"Easy does it" is the word as another large bone is taken from the carefully sorted earth.

Careful digging, hard work, and mud all prove that mastodons are hard to come by.

Perhaps the greatest excitement of the summer of 1962 was connected with the "Big Mastodon Dig." During the first week of July, a group eventually totaling over thirty headed for Ohio led by Prof. D. J. Strickler.

On the farm of Darrell Cummins they found their prize—the skull and various other bones of a mastodon believed to be over 12,000 years old. Of the skeleton found Prof. Strickler stated "we didn't find the complete remains but we're not disappointed." The mastodon remains were brought back to campus. They will form a display in the new science building to be constructed in the near future.

After tearing the porch apart piece by piece, workmen try to use as many of the original pieces as possible.

After sand blasting, the "Ad" building receives final touches by hand.

During the summer of 1962 an almost complete renovation was given to the exterior of Burke Administration Building. In addition to sandblasting and tuck pointing the whole building, the porch was also strengthened from both above and below. Steps were turned over, worn side down, and new entrance doors were hung.

Chapman residence hall for men also received exterior redecoration—sandblasting and tuck pointing. In addition a new south entrance was constructed to the "Universe" to help eliminate the congestion at the north entrance.

In addition to these two major jobs, numerous minor repair jobs were done to other campus structures.

This 201-man dorm was named after Dr. A. M. Hills, former president of Olivet. Constructed of red brick and concrete, this modern structure was open to the public during the weekend of September 28.

Miss Audrey Hills, granddaughter of Dr. Hills, cut the ribbon to open the hall, and spoke at the dedication ceremony.

The twister hit the campus at the Northwest corner badly damaging the Administration Building, Burke Hall.

At approximately 4:20 p.m. on Wednesday, April 17, a twisting tornado hit Olivet's campus, causing more than a million dollars worth of property damage.

The roof of the north end of the administration building caved in, and this necessitated the removal of the entire fourth floor. Other parts of the building were severely damaged, also. Walker Hall and the Health Office were so badly destroyed that they are total losses. The upper two-thirds of the smokestack, one of the area's landmarks, crumbled and fell into the street below. The roofs of the dining hall and the gymnasium were also destroyed. Windows were broken in several other buildings, including Chapman and Williams residence halls. The residence dormitories and the library, as well as the Home Management Department and Goodwin Hall, were not extensively damaged, however.

Heavy debris falling from the upper part of Burke Hall did extensive damage to the porch which had been re-stored during the summer of 1962.

Trailerville was the hardest hit area on campus. A number of trailers were completely destroyed, but no one was fatally injured in the wreckage. There were no fatalities anywhere on campus, and only a few persons were injured to any serious degree.

The immediate reaction of many was "How could God let this happen to us?" However, after the situation was surveyed more closely, even these thanked God for His providence in protecting much of the campus, particularly the residence halls, and the lives of all of the college students, faculty members, and other personnel.

Thursday morning clean-up crews were organized to clear the campus of debris, and reconstruction work began immediately. Classes were resumed in temporary quarters in various student lounges and in the educational unit of College Church. Temporary administrative offices were set up on the first floor of Chapman Hall.

The tornado turned after hitting Burke and continued across campus in an easterly direction demolishing Walker Hall, the Greer Green House, and the Health Center; and badly damaging the Heating Plant, Miller Dining Hall, Birchard Field House, and other smaller buildings.

Environment for Study

The Memorial Library, a modern, air-conditioned, three-storied structure, was completed in 1956 at a total cost of \$275,000. It contains many facilities which aid Olivetians in their study, research, collateral, and browsing activities. Besides the spacious reading rooms, there are thirty carrels or private study areas, a music room, a typing room, a current events area, and a microfilm machine. An addition to its modern conveniences this year was a Verifax Signet Copier which can reproduce a page without damage to the book. Thus, our library is both well-equipped and up-to-date.

Campus Housing . . .

Williams Hall

Williams Hall, dedicated to the wife of Dr. R. T. Williams, a former General Superintendent of the Church of the Nazarene, was completed in 1951 at an estimated cost of \$450,000. This four-story, double-wing brick structure houses 220 freshman and sophomore co-eds.

Williams was designed to meet the needs of its residents. A laundry room, a kitchen, and a television room are located on the ground floor. On the main floor is found a spacious parlor furnished in elegant French and Italian style, and the apartment of the head resident counselor, Mrs. Olson. The third floor contains the study room, while the fourth includes the prayer room.

Receptionist Helen Martin greets callers with a friendly "Williams Hall."

Ironing, one of the many chores of a student, is made more pleasurable because of the facilities provided.

Nesbitt Hall

A modern brick structure named in honor of Miss Mary Nesbitt, Olivet's first teacher, stands as the symbol of "home away from home" to its 150 women residents. The comfortable, modern parlor, the homey kitchen and adjoining television room, and the handy laundry rooms located on each floor are a few of Nesbitt Hall's conveniences.

The aroma of popcorn, pizza and coffee, mingled with echoes of happy laughter, will combine to recall within the minds of those who leave its halls the scenes of happy college days.

The light, sunny lounge in Nesbitt Hall is a pleasant place to relax.

A. M. Hills Hall named in memory of Olivet's first president, is the newest building on campus. The beautiful and modern building was dedicated at a special ceremony on Founder's Day. This dorm is the home of the upper-classmen on campus. The many conveniences of Hills Hall, such as the prayer room, TV room, and study rooms, make it a very comfortable dwelling for the fellows living there, and the spacious lounge, with its huge fireplace and stereo, adds a homey atmosphere to the dorm.

Although Hills Hall is still a new building, the halls already are full of memories which will remain a lifetime in the hearts of the men that live there.

Chapman Hall

Chapman Hall named for the late Nazarene General Superintendent, Dr. J. B. Chapman, is the home of about 170 freshman and sophomore men.

The building, renovated last summer, has taken on a new look inside and out. The building was completely sandblasted outside while inside new doors were installed in every room, and many of the rooms received a new paint job. The dorm has a game room, a TV room, and a prayer room, all of which help to make the fellows feel more at home. Professor William Beaney is the resident counselor for Chapman Hall.

Many strong and lifelong friendships are formed by roommates, neighbors, and monitors within the walls of Chapman Hall.

Senior Houses North

Four modern brick homes located $2\frac{1}{2}$ blocks north of the campus comprise the residences of twenty-five senior girls. Each house, equipped with three bedrooms and a living room, provides a pleasant atmosphere for its busy senior inhabitants.

House three serves as the focal point of community activity for the four senior houses, since in it are located the kitchen, including the pop and candy machines, the hair dryer, and the comfortable parlor where the girls may receive their dates.

Amidst such enjoyable surroundings happy senior girls complete their last, memory-laden college days.

Large rooms provide comfortable living and a good atmosphere for studying.

Senior Houses South

A new residence area for senior girls this year is the Senior Houses South unit, formerly the Leist Apartments. This unit was endowed to the college by Dr. and Mrs. J. F. Leist.

The Senior Houses South unit is composed of four apartments for senior girls, a new large parlor, and the apartment of the resident counselor, Mrs. Kyer.

Each of these apartments has a kitchen for the girls' use. The girls who live in these apartments find their roominess and their proximity to campus pleasant and convenient during busy senior days.

Hardin House

Hardin House, a roomy nineteenth century house, is "home" to sixteen senior girls. Some of the features which give Hardin House the easy atmosphere of comfortable living are two kitchens, a prayer room in the house's circular cupola, sweeping stairway and homey parlor, complete with fireplace imported from an Italian Chalet.

Here senior girls make an easy transition from the more regulated dorm life of the past three years to the self-regulated life of post-graduate living. "Ooh, Dr. Groves is coming to see me teach tomorrow," and "Whew, I finished my last field trip today," are some of the frequent expressions heard echoing through its halls and through the memories of those who have called Hardin House their home.

So that's what the noise was!

An evening at the ironing board or under the hair dryer with a good book in hand are frequent events in the lives of Charlotte Wagner and Sharon Spoven.

Buffet Dinner . . .

Soft Lights, Soft Music

Walt, Dave, and Bab entertain diners with pleasant dinner music.

Wednesday evening meals at Olivet were of the smorgasbord type this past year. A diner could select from one of several buffet tables the main dishes, vegetables, and salads which he desired. He was then directed to one of the dinner tables where the appetizer and dessert had already been placed at each place setting. Waitresses later served coffee, tea, and rolls. This arrangement was a change from the previous year's "family-style" dinners.

A cultural atmosphere was attempted. The dinners were "dress up" affairs with coats and ties in order for the men and heels for the ladies. The alternate male-female seating arrangement, the dinner music, and the candlelight were all designed to heighten all the aesthetic tone of the dinners.

A banquet in the Mural Room climaxed the events of the workshop.

September 24 and 25, 1962 saw the convening of the sixth annual Student Administrative Workshop. The workshop is a combined effort on the part of the Administration and student leaders to improve and advance the work of Olivet.

The general theme this year was "Campus Leadership." During four conference sessions, topics discussed ranged from, "Olivet's Administration," "Authority & Responsibility" to "The Student's Role in Revival Efforts."

At the summary session on the 25th, Dr. Edward Lawlor, Executive Secretary, Department of Evangelism for the Church of the Nazarene, spoke to the workshop members, tying together many of the points discussed.

Dr. Reed presents the 1962 AURORA to former President Dwight D. Eisenhower and to Congressman Leslie Arends, representative of Illinois' 17th district.

Eisenhower Visits O.N.C.

Perhaps the biggest highlight of the fall of 1962 was the visit of former President Dwight D. Eisenhower. In Kankakee for a testimonial dinner for Rep. Les Arends, Mr. Eisenhower consented to include ONC in his tour.

Mr. Eisenhower was scheduled to speak to the students for a few minutes; however, because the caravan was over one-half hour late it was decided that he would not stop. Even with this disappointment his trip through to campus provided many with the opportunity to see the former President for the first time in real life.

All Olivet turns out to welcome "Ike" as Dr. Reed gives him our sincerest greetings.

Faculty Retreats . . . to Aroma Park

Faculty retreats in past years usually involved extensive trips. This year the faculty and administration went only as far as the Nazarene District Center at Aroma Park. The retreat this year was a two day event with Friday, September 21, as the big day. On Friday the session began at 8:30 a.m. and continued through the middle of the afternoon.

A number of committees were formed from the faculty to discuss the general theme "Improving Teacher Education."

President Dishon and his staff find time in their busy schedules for a discussion of the days events.

During Retreat . . .

Students Officiate

With the administration and faculty in "retreat," the student body leaders took over. Taking over the position of Dr. Harold Reed as President of Olivet was Willie Dishon, Student Body President. Other key administrative positions were assumed by student leaders.

Since the faculty was absent, many prospective teachers had a chance to try their hand in teaching at the college level.

The idea of the Student Administration Day is that the students take over the responsibilities of running the school—making decisions and settling problems. Students, at the beginning of the day, eagerly looked forward to this opportunity. By the end of the day, however, they were glad it was over.

The office of President of the College seems to keep Willie as busy as do his regular duties.

Figuring class loads, the number of students per hour, and other duties takes the better part of a day for acting Dean of the College, Larry Buess.

Faculty Return Party

Gail Humphries and Ned Lang share confidences in song

The official close of Faculty Retreat came on Saturday night at the annual Faculty Return Party. Beginning at 7:30 p.m., the party sponsored by the Student Council was held in Birchard Gym. Entertainment was provided by students, and some of the faculty gave reports from the various Retreat committee meetings.

At the end of the party the student leaders returned, with a feeling of relief and perhaps a note of reluctance, the guide lines of the school to those who must shoulder the responsibility all year long.

Frosh-Soph Day . .

Frosh-Soph Day is one of the gala days in the fall calendar of freshmen and sophomores. The afternoon started with a parade around the campus by the freshmen yelling for victory. Unfortunately the parade did not produce the expected results, since the sophomores proceeded to win the scavenger hunt and the tug of war, at which time most of the freshmen were dragged through mud up to their knees. The freshmen class officers then received their reward—pie in the face—from the sophomore officers. The day ended with a party behind Miller Dining Hall, given by the sophomores for the freshmen.

The morning hours after arrival were "free." Afternoon hours were taken up with organized activities such as horse-back riding, cycling, and hiking. The day ended with a steak fry, followed by a hay ride.

Lyceum Programs . . .

Informative, Education

Several lecture series were presented at Olivet this past year. The annual R. T. Williams Lectures on Evangelism were held October 1-5. Prominent archaeologist, Dr. William F. Albright, lectured on recent excavations verifying historical data in the Bible. The Updike Lectures on Practical Theology were presented by Dr. Paul Updike March 7 and 8.

Several lyceum programs were also presented. The first one featured the "Poet of the Ozarks," Charles Hastings Smith. On November 6, Jack Connors, a marimbist, performed in College Church. On March 16, a travelogue, "Around the Four Corners" showing scenes of the Southwest was presented by Haven Trecker. Next, Rowand Myers, a professional lecturer spoke upon the topic "The Romance of Words." The series of programs was closed by the presentation of a May 11 concert by the Blue Jacket Choir, a male choral group from the Great Lakes Naval Training Station in Evanston, Illinois.

Handel's "Messiah" . . .

Presented by Oratorio Choir

Olivet Nazarene College gave its 27th annual presentation of the *Messiah* on the evening of Dec. 7, and on the afternoon and evening of Dec. 9. The Oratorio Chorus of some 115 voices gave a stirring rendition of Handel's masterpiece. The chorus and orchestra were directed by Mrs. Naomi Larsen, with assistance from Prof. Harlow Hopkins. Mrs. Kranich was the organ accompanist for the performances. College church was filled to capacity with an appreciative audience for each performance. Soloists for the three performances respectively were Diane Siegenthaler, Mrs. Margarita Sawatsky Evans, and Rush Marie Eimer, sopranos; Nancy Rhodes, Sharon Densford, and Elnor Stevenson, contraltos; Prof. Irving Kranich, Norris Teague, and Charles Wilson, tenors; and Bob Simmons, Prof. Howard Nelson of Trinity College, and Charles Clark, basses.

Norris Teague was the tenor soloist in the Sunday afternoon performance.

Health Program . . .

Geared to needs of community and campus

In an attempt to avoid a flu epidemic on campus this year, the school provided two flu shots, at a minimum cost, for all interested students and college personnel. Resident students were encouraged to take the shots. Happily, this precautionary measure was effective, and few students were affected.

Olivet was twice host to the local Bloodmobile this year, once on October 10 and again on March 13. The second visit was occasioned by a lack of blood in the local Red Cross blood bank. Many students, by donating a pint of blood, responded to the challenge to help others.

With the threat of a flu epidemic present, students gladly roll up their sleeves.

Invasion Groups . . .

Represent Olivet thru service

The invasion groups were something new at Olivet this year. Several times throughout the year, a group of students "invaded" the churches of a community. These groups went to Lansing, Michigan; St. Louis, Missouri; Cincinnati, Ohio; and Ft. Wayne, Indiana. The usual procedure for the groups was to leave campus in the school bus for their destination early Saturday morning. Saturday evening the whole group participated in a youth rally at one of the churches. Sunday morning they broke up into several groups, and went to all the Nazarene churches in the community. The groups left for the campus Sunday afternoon often stopping in another community for a Sunday evening service. These meetings were a blessing to participating students and helped spread an appreciation for Olivet throughout the educational zone.

Christmas Party . . .

On December 18, joyous Olivetians crossed the threshold of a transformed gymnasium and found themselves in a "Holiday Village." Flickering candlelight provided the atmosphere of a cozy Swiss Chalet.

After a delicious turkey dinner, guests were entertained by local talent who sang various Christmas selections.

During a brief pause Dr. and Mrs. Reed were presented with a Christmas gift from the student body, and several engagements were announced.

Following an organ interlude the Christmas Story was read by Sharon Weeks, and Ed Wilcox sang "The Birthday of a King." An organ medley of Christmas carols and a Trumpet Trio selection, "Joy to the World," climaxed an evening of Christmas joy.

In the elegant and romantic atmosphere of Teibel's Restaurant in Dyer, Indiana, "Chanson d'Amour," the all school Valentine Party, was held on February 15. Planned by Ernie Husarik and the Social Committee, the semi-formal occasion was attended by approximately fifty couples.

After enjoying a delicious T-bone steak dinner, the guests were entertained by musical numbers presented by various Olivet musicians. Master of Ceremonies Willie Dishon highlighted the evening by announcing the engagement of one of the couples present.

Organizations

It is perhaps in our organizations that an Olivetian can find his place of service to the college community and can round out his personality. Organizations are sources of opportunity for those interested in "causes" or "people." Each club or organization represents a cause or some concern for people.

Depending upon interest and ability an Olivetian can find one or more clubs to which he can belong. Not only does the student benefit from the activities of the club but the club and, in turn, the college and society profit from the interest and contribution of the student.

The voice of the student is the Student Council, the legislative body of the Associated Students.

Some form of organization is always needed on a college campus. While the Student Council is not the complete organization it does provide the source of vitality for that organization.

Under the guidance of the Student Council such events as the Student Workshop, and a Christmas food basket program were carried out. One new item this year was the adoption of a "Charter System" for all clubs and organizations on campus. This was formulated to insure more active clubs and participation by students.

Olivet's Student Governing Body

Student Council members are busily engaged in planning ways to solve problems and improve campus activities.

A banquet in the Murot Raam concluded a busy day of Student Council Workshop.

The Women's Residence Association was the source of much activity on the campus this year. During the Fall, the W.R.A. sponsored the Twirp Week activities including the Twirp Week Party, "Hillbilly Holiday," and the Thanksgiving dorm parties. The Christmas season brought the annual Christmas open house, a shopping trip to Chicago, and the dorm Christmas parties. Other W.R.A. activities included a Faculty Wives Party, a mother-daughter week-end, vesper services, and weekly dorm prayer meetings. Through all of these activities, the W.R.A. has sought to provide the means whereby students can become better acquainted with their fellow students by working, playing, and worshipping together.

Get-togethers for the fellows in the dorms are planned each semester. The M.R.H.A. and its counterpart in Womens Housing, the W.R.A., plan interdorm activities such as the two Twirp Week activities each year.

The judicial branch of student government is the Student Tribunal. The Student Tribunal has the responsibility of interpreting the student handbook, the *Sidekick*, and of settling disputes concerning the Constitution of the Student Body.

Keeping each Olivetian informed on recent and current events is the job of the *Glimmerglass*. Only the school paper can keep the student posted on school events. The *Glimmerglass* serves as an open forum where the student writers air their opinions. It also serves as an outlet for student readers to voice their thoughts on the happenings of school.

The *Glimmerglass* serves as a vital link with the life of each Olivet student.

The club's most outstanding program took place on April 30 when Dr. O. Hobart Mowrer, past president of the American Psychological Association and currently head of the department of psychology at the University of Illinois, and author of *Crisis in Psychiatry*, delivered a lecture on psychology and religion. His lecture was enjoyed by all who attended.

Public Affairs Club . . .

Stimulates thinking, Broadens viewpoints

Public affairs club attracts many students

The activities of the Public Affairs Club this year were oriented around the topic of the European Common Market and the United States' relationship to it.

Included in the year's activities were films, discussion groups, and a debate between Olivet and Wheaton Colleges on this subject.

The Public Affairs Club's chief purpose and function was to stimulate the thinking and to broaden the viewpoints of its members. Its ultimate goal has been to send forth into society Christian young people who will be enlightened concerning world affairs, and who will be eager to work for a better world.

The Honor Society, Alpha Tau Delta, exists for the purpose of giving honor to deserving students and serves as an incentive for excellence in scholarship. Possibility of membership encourages students to give their best effort to studies and to maintain a high scholastic standing.

The meetings of the club are of a scholastic nature; often outside speakers of high scholarly standing participate.

Anticipating the activities of a new semester, the Sociology Club fortifies its ranks with new members.

Sociology Club . . .

The Sociology Club is one of the most active organizations on campus. They lived up to their motto "Students for Service" by participating once each month in the Kankakee State Hospital Volunteer Service Program, by co-operating with other campus organizations in children's work at Hopkins Park, Illinois, and by taking part in the Chicago Youth Opportunities Program.

Also on the club's agenda was its annual field trip to Chicago and an all-school film. Special speaker at the club's dinner was anthropologist Dr. Earle Reynolds; another guest speaker was McClure McCombs.

The team this year entered several major tournaments such as the ones held at Bradley University, Greenville College, Illinois Western University, Wilson Junior College, and Elmhurst College.

Besides participating in intercollegiate competition the team also gave several demonstrations at nearby high schools to interest the students in debating.

Through membership in the Speech Club an Olivetian can develop and perfect his speaking talent. One of the larger clubs, the Speech Club provides numerous opportunities for speech performances.

In meetings, theory and practice are combined. In addition to the various activities of the year, the annual speech contest is the highlight. This contest is not limited only to Speech Club members but is open to the student body at large.

Science club's slogan for the past year was, "Where the telescope ends, the microscope begins. Which of the two has a grander view?"

This club attempts to promote all fields of science—chemistry, physics, astronomy, mathematics, and the biological sciences—through educational activities. Films were shown each month and a trip was made to Armour Pharmaceutical and to the Museum of Science and Industry. A display with accompanying colored slides and lecture was featured dealing with the mastodon hunt last summer.

Student Education Association . . .

Future teachers receive literature at S. E. A. workshop.

The Student Education Association participated in the State S. E. A. convention in Chicago this year. There Janet Jackson, a local S. E. A. officer, was elected Secretary-Treasurer of the State Association.

Local activities included a lecture by Mr. Roy Deager, a spelling specialist, a panel discussion by eight teachers from the Kankakee area community, and an address by Dr. Philo on "This Missionary Teacher." The latter, co-sponsored by Missionary Band, graphically illustrated S. E. A.'s motto, "Education Everywhere."

This motto was also the theme of the club's highlighting event, the banquet-workshop. There co-operating teachers, supervisors, administrators, and students discussed mutual problems. New this year, the banquet was an outstanding success and a significant milestone in the creation of better community understanding.

A student at Olivet can become a member of "O" Club by accumulating points. These points are earned by participation in sports—100 points for each major sport and 50 for each minor sport. A man becomes a member after earning 500 points, a woman after 350 points. This system represents a slight change from past years.

This year the women entertained the Greenville and Wheaton Women's Athletic Clubs. Their activities included a swimming party and horseback riding.

The men this year played in the Annual Homecoming game. They also went to see the Chicago Blackhawks hockey team in action.

Sigma Tau Delta . . .

Olivet's English Guild

Robert Owen, Editor for the David C. Cook Publishing Company, speaking at the Sigma Tau Delta Writer's Workshop.

Last year the English Club applied for and received a charter as a Chapter of the Sigma Tau Delta professional English Fraternity. This year the charter members voted in several new members.

Sigma Tau Delta was again host to the annual journalism conference sponsored by the *Kankakee Journal*. A writer's workshop and a local display of original poetry written by Olivet students and professors were also among the club's special activities.

Student discussions and other student participation programs in the Chapter's regular monthly meeting aroused much interest in the reading of good literature, particularly modern fiction.

Missionary Band . . .

Further Interest in Missions

Olivet's foreign students enjoy a gracious meal at the President's home.

Missionary Band's activities this year included a film concerning missionary work in Africa, the film "Call of Navajos," and the annual Missionary Band convention, where Rev. Eldon Cornett and Rev. Russell Birchard were the missionary workers. A Christmas party featuring Olivet's foreign students, a lecture on Guatemala and Wheaton's summer student missionary program by Robert Hoppe from Wheaton College, and an "all-school" lecture on Africa given by Dr. Howard Hamlin were other features.

The two special projects this year were the raising of \$2500 to aid in purchasing Nazarene church property in West Berlin and the co-sponsorship of the "Children's Hour," a Sunday School held at Hopkins Park, Illinois, each Sunday afternoon.

Officers, seated: Dr. Perry, R. Workman, R. Hall. Standing: W. Ballard, R. Mortin, K. Markle.

The Ministerial Fellowship is designed to acquaint its members with the practical aspects of the ministry.

Therefore, monthly meetings were held which dealt with such matters as the minister's relation to finances, weddings, funerals, and calling programs. Members gained practical experience by preaching at week-end meetings and in chapel. Outside speakers were brought in to speak at the three breakfasts and the banquet which the club sponsored.

Evangels . . .

Evangels endeavor to import cheerfulness to others.

Each Sunday afternoon members of Evangels visit convalescents in seven nursing homes in the Kankakee area. In so doing, they endeavor to spread Christian cheer and the light of the Gospel to those who are elderly and ill.

Evangels serve the church by sending members to various churches on the Chicago Central District to help in Sunday evening services.

Evangels endeavor to provide a place of Christian service for every interested Olivet student. By serving others they serve Christ who said, "Inasmuch as ye have done it unto the least of these my brethren, ye have done it unto me."

Music Educators . . .

Acquaints Members with Professional Materials

Music students prepare posters for a coming concert.

The Music Educators Club is an organization for all music majors, particularly those who plan to teach music in public high schools. This year an all-school trip to Chicago to hear the Chicago Symphony and a lecture given by the supervisor of music in the Kankakee schools were two of the club's most outstanding attractions. Other activities included the serving of refreshments at the senior recitals and the sending of delegates to several nearby conventions.

Home Economics Club . . .

"Service to Others"

Social events on the Home Economics Club's calendar were the Get-Acquainted party in the fall, a tea given at the dedication of Hills Hall, an alumni tea given at Homecoming, and an "all-school" fashion review.

Regular club meetings included such activities as a film on home decoration, a party emphasizing the principles on entertaining, a knitting clinic, and a program on flower arrangement. At Christmas, club members took baked goods to the aged in rest homes.

As its motto, "Service to Others," implies, the club endeavors to aid its members in developing their own abilities and in cultivating an interest in others.

Platonian Philosophical Society . . .

Achieves Understanding of Modern Culture

Club president, Russ Pannier, pauses to consider activities.

All of the society's activities—papers, book reviews, lectures and discussion groups—were centered around their theme for this year, "The Existentialist Revolt." Among the speakers were Darrell Grothaus, an Olivet alumnus whose topic was "Bultman and Demythologization" and Dr. Earl E. Barrett who spoke on Barth's conception of "Nothingness." Dr. Carl Bangs was guest speaker at their spring banquet.

The theory of existentialism is of vital importance to all because of its tremendous impact on major areas of contemporary life. Philosophy, religion, and ethics are all inevitably bound up with the existentialist posture, and the question, "Who is Man?"

Music

"Music in the air" might well be the general theme of the Division of Music. For rare indeed is the moment when somewhere on campus someone is not practicing, or performing in some one of the many areas of music.

The Olivetian "shall have music wherever he goes." The Division of Music sees to this by providing music for chapel, giving numerous concerts and recitals, and sponsoring the triple performance of Handel's *Messiah*. The enrichment gained through these experiences is immeasurable.

Orpheus Choir . . .

"Ministry in Music"

Carolyn Luginbill serves as Orpheus' efficient accompanist.

Throughout the year Orpheus Choir has endeavored to fulfill its permanent motto, "A Ministry in Music," by participating in religious services throughout the educational zone.

Besides providing the special music for College Church once each month, Orpheus has sung at the Mishawaka Church of the Nazarene at Detroit First Church, at Elkhart First Church and at a Youth For Christ Rally. The outstanding concerts of the year were the Homecoming Concert and the Spring Concert tour through Ohio and Indiana. The Spring Banquet was the culmination of social activity for the choir, after a year of inspiring service in musical ministry.

Vikings Male Chorus . . .

"For Thee We Sing"

Vikings' bus prepares to leave on spring tour.

"For Thee We Sing" was the slogan this year for the Vikings.

Some of the objectives of Viking Male Chorus are: to foster and advance choral singing, to provide artistic and spiritual experiences for the participants; to promote the finest type of choral music in order to make these experiences possible; to encourage rehearsal procedures conducive to attaining the highest possible level in musicianship and artistic performance.

The Vikings have served in many ways in fulfilling these objectives. They have contributed their services to College Church, Kankakee First Church, and, on their annual tour, to several churches in Southern Illinois and Iowa. They collaborated with Treble Clef and the Olivet Symphony in presenting concerts, and attended the Male Chorus Festival at Moody Bible Institute. A Folk Sing in the Universe was also on their agenda.

"Voices in Praise"

Blending their voices above the choir, the Toone sisters add a bit of variety to choir presentations.

Treble-Clef Choir provided the special music for services at College Church at various times during the year. They presented a joint concert with the Vikings Choir and an informal "all-school" Christmas Concert. Two other concerts, one of which was an Easter Sunrise Service, were given at Chanute Air Force Base.

Social "non-concert" activities included an informal party after the Treble-Clef-Vikings concert and the annual Spring Banquet.

The crowning activity of Treble-Clef's musical year was the annual spring tour when, the members of Treble-Clef Choir lifted their "Voices in Praise," the motto of the choir.

Concert Band . . .

"Varieties in Music"

The outdoor "pop" concert given by the band was widely received by secular music lovers.

The Band was active in numerous ways this year. They played at the dedication of Hills Hall and on the occasion of former President Eisenhower's memorable visit to Olivet's campus. The Band also played at football games and at the Homecoming (Tip-Off) basketball game.

One out-of-doors "pop" concert was given in the fall, and several formal concerts were presented throughout the year. Among their other functions were a visit to a Chicago Symphony Orchestra Concert and a Spring Banquet.

Two of the Band's innovations this year were the first tour the Band has ever taken and the creation of an "Historians Book" for recording the Band's activities each year.

Gale Organ Guild and Brass Choir . . .

Provide specialization for musicians

The Gale Organ Guild remembered this year's theme, "Better Church Music," in all its activities. Its members attended a faculty recital at Valparaiso University during the first semester. On February 16 they visited Wheaton College, and on March 11 they attended an organ demonstration at nearby St. Paul's Episcopal Church. In May they again visited St. Paul's to hear Mr. Mondello, organist at Rockefeller Chapel of the University of Chicago.

The Brass Choir was composed of eleven instruments this year—four trumpets, three trombones, two French horns, one baritone, and one tuba. Their tones sometimes blended into dulcet harmonies, and at other times into strident marches.

This organization gave their own public concert this year besides appearing on the music program for Baccalaureate Sunday, giving a Commencement concert, and playing in one of the chapel services.

Orchestra . . .

Provides cultural music

Recital Hall was the scene of one of the many Orchestra Concerts performed each year.

This academic year the orchestra gave three formal concerts. The first was presented at the Recital Hall. Mrs. Evans and Mr. Kranich sang the special numbers in the second concert. The Commencement Concert was the last one of the year. Besides these performances, they accompanied the three performances of the "Messiah."

The Commencement Concert was the most important orchestral activity. It was the summit of a year's work. At this concert the orchestra presented some of the great classics of the world of music. Also, as part of the Commencement exercises, the orchestra performed before its largest audience.

The senior year is filled with many events. For music majors one of these events is the Senior Recital, a requirement for the Bachelor of Science degree in music education. This provides an opportunity to show friends the accomplishments of four years of study.

The selections performed are from various periods of music history. Those seniors who presented recitals this year were: Mary Ahlemann, Ann Blevins; Elnor Stevenson and Ann Bohl Smith; Phyllis Spry and Norris Teague; Jean Gadbow and Chuck Clark; Naomi Darr and Peg Oliver; Steve Stutz and Sharon Densford; Ed Chapman and Ed Sheckler.

Summer Groups . . .

Represent O.N.C.

The Olivetian Quartet toured the Central Ohio, Wisconsin, Michigan, Northeast Indiana, and Indianapolis districts during June, July, and August. Since this group is on a year-round contract they also went out for various meetings on each week-end of the school year.

Three ladies trios, the Treble-Aires, the Joy Tones, and the Kings Karolaires, covered those districts which the Olivetians did not. These groups traveled for the college only during the month of June.

Jim Bohi and Ovid Young represented the college at all the district conventions.

Kings Karolaires: Left to Right: Sharon Densford, Noncy Rhodes, Dione Sigenthaler.

Religion

Olivet's outstanding feature is her religious emphasis. The College and College Church work together to promote the development of a vital spirituality and religious experience in each student and personnel member.

Activities such as Chapel, Prayer Band, Missionary Band, Revivals and prayer before classes are indications of Olivet's concern for the religious growth of her students; and they are steps toward the realizing her motto, "Education with a Christian Purpose."

Dr. Dudley Powers

Four mornings a week—Tuesday excluded—Olivet's family of students, faculty, and administration gathers in Howe Chapel for a half hour of devotions.

The programs are varied in nature and include faculty, student, and guest speakers, as well as musical services. Through the chapel programs students and faculty receive a spiritual uplift for the remainder of the day.

Chapel . . . A pause to Meditate

Rev. Russell Birchard

Dr. Wm. F. Albright

The importance of the Prayer Band is demonstrated by the fact that Dr. Reed has often referred to it as the "powerhouse of the campus."

The fire of this "powerhouse" is stoked from 6:15 to 7:00 on Monday, Tuesday, Thursday, and Friday evenings. The resulting "power" is used in service to others. This "power" took the lead in encouraging the students to fast and pray before the revivals. During the Christmas season, several of its members helped with the Salvation Army kettles.

Provides Inspiration and Opportunity for Worship

At the close of the day, when the night shadows have settled down on Olivet's campus, one can look southward across the way and see the illuminated spire of College Church silhouetted against the darkened sky. How splendidly this illustrates the theme for the 1963 Aurora—"By this light I walked through darkness."

Certainly College Church is the shining light of all campus life. In her corridors and classrooms is found the light of Bible teaching, Christian fellowship and service. Within the walls of the beautiful sanctuary there shines the light of inspirational worship. From the pulpit there beams the ministry of the preached word to those who enter. And at the altars where needy hearts bow for prayer there radiates the light of God's grace bringing forgiveness and cleansing. College Church lights the way through the year and through all the years. It is the fervent prayer of pastor and people that this will always be our distinction.

Revivals . . .

"Revive us again"

The revivals held at College Church this past year afforded the student body and faculty wonderful opportunities to grow spiritually. Dr. Hardy C. Powers, general superintendent of the Church of the Nazarene, was with us October 7-14 as evangelist for our Fall Revival. Professor James McGraw of the Nazarene Seminary held the Youth Revival at the beginning of the second semester. Our Spring Revival ran from April 7 to April 14, Easter Sunday, with Dr. R. S. Taylor, a professor at the Nazarene Theological Seminary in Kansas City, as evangelist. God blessed us in each of these evangelistic endeavors.

Hills Hall prayer room—a quiet place to get alone with God in the new men's residence dorm.

Chapman Hall residents find a place for quiet meditation in their prayer room.

A necessity in the busy college life is the time set aside daily for quiet meditation and communication with God. It is at these times of personal worship that one forgets the pressing problems of campus life and receives his strength for the day. Whether one prefers to have his devotions in his room or in the prayer room provided in each dorm, the time spent in Bible reading, prayer, and meditation deepens and vitalizes one's Christian experience by drawing him closer to the Heavenly Father.

Intramural

The intramural program not only meets recreational needs but also fills an important social need. Intramural games provide the contestants with an opportunity to test skills and to learn teamwork. It gives spectators a chance to "pull for the team." In this manner the intramural program helps students to practice life situations.

Since there are six society teams on campus, every student can be included. Sports is only one area of competition. There are also contests for those having literary and musical talent.

Societies

Through Olivet's six societies not only is the athletic program carried out but also programs of music and literary content.

The societies compete against each other in various major and minor sports from softball and basketball to archery and tennis. Through these events members of the teams may earn points toward an "O Club" letter.

The societies compete also in six music-literary contests. Each society supplies a master of ceremonies for one of the programs.

Individual members earn points toward personal goals while at the same time the societies earn points in competition for the "President's Cup." The President's Cup is emblematic of supremacy for the year in society competition.

The council appoints the master of ceremonies for each public performance, each society providing a master of ceremonies for one program a year.

This body consists of the dean of students, the president of the associated students, the chairman of the departments of physical education, speech, and fine arts, and the presidents of the individual societies. The president and dean of the college are members *ex-officio*.

Beta started out strong, but slowed down during the second half of the season, ending with a 5-5 record and tying Gamma for third place. The Beta men played hard with real fighting challenge to their opponents. This year's team was coached by Lee Schrock and was consistently led on the floor by ball-handler Larry Watson and top scorer and rebounder Larry Spaulding.

Kappa came on strong at the season's end to finish in third place. Although Kappa had more experienced players on their team than did the other societies, the third place finish called for lots of hustle and team play, which Kappa had to give. Field Day

May 15, 1962, was the date of Olivet's field day. The event is the main outdoor event of the spring, and is accompanied by much enthusiasm on the part of the student body.

In the men's division, Kappa walked off with team honors with $43\frac{1}{2}$ points. They were followed by Sigma 38 points, then Delta, Gamma, Beta, and Zeta. Zeta topped the women's teams, scoring $54\frac{1}{2}$ points. Their closest competitor was Delta with 17 points, followed by Kappa in third, and a tie for fourth between Gamma and Beta.

When the men's and women's scores were added together, first place for the afternoon went to Zeta Society with 58 points. They were followed closely by Kappa with $54\frac{1}{2}$, then Delta 48, Sigma 38, Gamma 26, and Beta 23.

Individual honors in the men's division went to Larry Winchester, of Kappa with $15\frac{1}{2}$ points, and John McKnight of Sigma with 14. Individual honors for the women went, for the second straight year to Eloise Miller of Zeta with $19\frac{1}{2}$ points.

After the activities, everyone relaxed at the all-school picnic, which was a fitting conclusion for an exciting day.

"Over the top he goes!"

Tip Off

Olivet's Tigers led all the way to soundly defeat the alumni 68-57 in their 17th annual meeting.

Even though the first half was full of errors, especially by the alumni, both teams hit consistently, making well over 50 percent of their shots.

In the second half, the rebounding strength of the "O" Club against the taller alumni told the story. Coach Wendy Parsons substituted his alumni freely, giving them plenty of breathers, but they couldn't warm up quite fast enough after being put back into the game. They hit a respectable 44 per cent from the field, but missed several important shots, and committed twenty-six fouls to thirteen for the Tigers.

The "O" Club shot a hot 46.8 percent from the field, and made 24 points from the charity line.

Harry Fulton led all scorers with eighteen points. Other high scores for the Tigers were Arthur Hoovler and Larry Spaulding, both with 12 points. Howy Owens was high point man for the alumni with sixteen, followed by Spence Hedrick with eleven.

1st row: J. Smith, R. Rupp, L. Winchester, H. Fulton. 2nd row: Cooch Word, B. Hoovler, D. Munroe, J. McKnight, L. Watson, Cooch Crondell.

Bud Hoovler makes two for the "O" Club.

The Alumni take time out to do some lost moment planning.

1st row: P. Oliver, T. Wilson. 2nd row: B. Leininger, S. Gibson, J. Wilson, Cooch Donoho, M. Sobin, D. Weed.

Football

Spirit, determination, and skill were the order of the day on the O.N.C. gridiron last fall. A record number of athletes turned out for the gruelling preseason training conducted by Coaches C. W. Ward and John Crandall.

The coaches utilized the athletes' abilities, and added to them their own coaching skills, to produce another good season for O.N.C. The first game took place in a cold drizzling rain which dampened the spirits of some of the fans, but seemed only to heighten the arder of the players. Coach Ward's Panther backfield composed of Nash, Spaulding, Salisbury, and White, showed more experience in the 28-8 win over Coach Crandall's Bulldogs.

The second game was more spirited and better attended than the first. Again, it was evident that the strong passing combination of Ed Nash, and Larry Spaulding was responsible for the Bulldogs defeat.

The last game marked the apex of the season. The victory-hungry Bulldogs played beautiful defensive ball and held their rivals, the Panthers, to six points until the last quarter. Then, the Panthers broke loose with two excellently executed plays which resulted in a perfect record for Coach C. W. Ward's Panthers.

The increasing spirit and the high caliber of ball played on the gridiron leave great hopes for football in the future at O.N.C.

1st row: D. Beckwith, B. Starcher, L. Spaulding, D. Salisbury, E. Converse, R. Anderson. 2nd row: C. Gibson, E. Nash, T. Lightle, D. Sauberle, L.

White, T. Rockrohr, Coach Ward.

Panthers and Bulldogs . . .

Before being tackled from behind by the Warrior's Dave Jackson, Dan Salisbury gains valuable yardage for the Tigers.

Pursued by Warrior players, Tiger end Lowell Maare runs far needed yardage.

1st row: J. Schultz, G. Evans, B. Summers, J. Spangler, D. Jackson, B. Isenhaur, J. Wakely. 2nd row: D. Gibbs, P. Kidd, F. Bards, R. Green, D. Frye, J. Wheeldon. 3rd row: B. Clipper, K. Burba, D. Mason, L. Johnson, E. Chopman, G. Huffman, Coach Crandall.

Tangle for winning score

Warrior full back plunges through middle before being stopped by a strong Tiger defense.

Doug Mason of the Warriors charges around right end before being halted by Tiger's Ed Converse.

College

An Olivetian is not only a member of one of four classes, he is also a member of many academic classes. From the Social Sciences to the Fine Arts Olivet seeks to give the student true education. In the courses he takes the student learns to assume his place in society.

The continuing goal of Olivet is that each student receive an education with a Christian purpose. The guiding LIGHT is held up for all who enter Olivet.

Dr. Harold W. Reed

Our President . . .

Dr. Reed awards the President's Cup to Prof. Billy Hobbs for his outstanding service.

Let Your Light Shine

And God said, "Let there be light, and there was light."

THE NATURAL WORD gives light to all mankind. There is the physical light which dispels the darkness; and there is the light of reason which lifts man above the animal kingdom about him. The light of human reason blazes a path of progress through our twentieth century world. It seizes upon the scientific method, or inductive logic, and uses it as a miraculous tool of precision to launch us into the Nuclear and Space Age.

THE WRITTEN WORD gives light to the Moral World. It has never been needed more than in this age which is threatened with global destruction. It gives to mankind a pattern of life, of living, and of salvation. The Written Word must shine brightly in Olivet Nazarene College. In our family worship period during the daily chapel service it is read. Thus, God speaks to us through His Written Word.

THE LIVING WORD is the Light of the world. For He said concerning Himself, "I am the light of the world." This is the gospel which is good news. Jesus Christ, the Living Word, is CENTRAL on

Olivet's campus. He is the Way, the Truth, and the Life. "But if our gospel be hid, it is hid to them that are lost . . . lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them."

THE ETERNAL WORD gives light to our world through a Divine Revelation. God is the ultimate source of life and light. He gives a revelation of Himself. Natural theology can never of itself fully comprehend God. Man in his earnest search for truth, and for God, can reach past the natural word to the written word; and then by faith through the Living Word he can know the Eternal Word, the Living God. "For God, who commanded the light to shine out of darkness, hath shined in our hearts, to give the light of the knowledge of the glory of God in the face of Jesus Christ."

My prayer for each of you is that you will, "Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven."

Harold W. Reed, President

Dr. Reed, along with Mr. Henderson, Business Manager, breaks ground for the new interim chapel while Rev. Gibson, Willie Dishon, and the building contractor look on.

Bottom row: Dr. Mark Maare, Dr. Lyle E. Eckley, Dr. E. D. Simpson, Dr. Harold W. Reed, Dr. Paul Updike, Dr. Harvey S. Gallaway, Rev. Harold Daniels, Dr. Gene Phillips. Second row: Rev. Kenneth Jewell, Mr. Thomas L. Marks, Rev. Hassis B. Anthany, Rev. Harold Frye, Rev. Luther Cantwell, Rev. M. E. Clay, Mr. Myran C. Wolker, Mr. Tom R. Willis, Rev. C. R. Thrasher, Rev. Howard S. Sylvio, Rev. George Reader, Rev. F. E. Whit-

latch, Rev. A. R. Aldrich, Mr. Howard Brittan, Rev. Carl Clendenen. Third row: Rev. H. C. Hatton, Rev. E. K. Richey, Rev. L. E. Meyers, Rev. W. H. Jahson, Rev. Walter Greek, Rev. Luther Watson, Rev. Robert J. Clack, Dr. Donald D. Starr, Rev. C. L. Henderson, Mr. Gerold Decker, Rev. Wesley K. Poole, Rev. Arthur C. Morgon, Dr. J. Fred Howk.

Board of Trustees . . .

Represent entire educational zone

The proposed interim chapel is presented to the Board for its consideration.

The Board of Trustees is the legislative board of Olivet Nazarene College. Composed of elected representatives from the fifteen districts of the Central Educational Zone, representatives of the Alumni Association, and the President of the College, this board determines the policies of the college, at its semiannual meetings in February and May.

This year's decisions included the raising of tuition for next year and approval for the building of an interim chapel to relieve the present overcrowded chapel conditions. This building, now under construction, will have a seating capacity of 2,200 and will be the campus worship center.

Dr. Updike, Chairman of the Board, addresses the members at the annual meeting.

Natural Sciences . . .

Broaden understanding of Biological and Physical Science

Man's environment includes contact with the natural forces. This makes desirable an understanding of natural science.

It is the purpose of the Division of Natural Science to acquaint the student with the wide area of the natural sciences. Through courses in biology, chemistry and physics, botany and genetics, the student attempts to reach an understanding of the world that surrounds him.

During the year plans for the new science building were completed.

Prof. Pence helps two of his students in a physics class.

Prof. Rice points out to some of his students that accuracy in measurement and an awareness for detail is essential for mechanical drawing.

In order to better accommodate Olivet's more than one hundred student teachers this year, the education department changed to the "block" system for its elementary student teachers, a system whereby their student teaching is now done full time for eight weeks instead of part time for the whole semester. The other student teachers are still on the semester plan.

The psychology department now requires eight hours of supporting course work in general biology, zoology, genetics, and physiology.

The most important change in the physical education department this year is the offering of a major in this area for the first time in Olivet's history.

Delve depths of

Theologies and Ideologies

It is the purpose of the Division of Religion and Philosophy to help the student "see life steadily and to see it whole" in Christ.

Through courses and lectures the student's faith becomes stable. Through acquaintances with God's Word and the study of the doctrines of the Christian Church the student increases his knowledge of existence and God.

By recognizing an Eternal Existence, we come to know that we must depend on Him.

Learning new methods and techniques of interior decorating as well as future homemaking is one of the helpful and enjoyable features of the Home Economics Department.

Facts, figures, and forgotten sources are all a part of the library atmosphere. Good students know that extra research is a strange asset in the social science field.

A stitch in time saves—homework! Students of the Home Ec division give the feminine touch to dressmaking, which, by all means, is the best kind.

Social Sciences . . .

Centers on Past and Present Society

The Social Sciences enable one to live with his neighbors. By understanding the different sociological, geographical, historical, and economical differences between people one is better able to see why people act the way they do. It is the job of the Division of Social Sciences to provide students with this background.

Every student is given opportunities to enrich his understanding of his own society. Each year the division sponsors field trips to numerous state hospitals, prisons, and different ethnological groups in Chicago.

Through the courses, individual study, and field trips each student becomes aware of the importance of building a better world and of his responsibilities as a Christian citizen.

The operation of office equipment combined with text materials are the tools of the business student.

Who moves next? Apparently Prof. Porr sees a dilemma coming. Interested students find a challenge as well as a rewarding experience in working with patients at the Konkokee State Hospital.

Chairman of the Division Languages and Literature

In a rapidly contracting world the importance of understanding and appreciating one's own culture, as well as those of other peoples, is constantly becoming more apparent. The division of Language and Literature assumes the responsibility of exposing students to Classical English, and to modern cultures through the study of their languages and literature.

The modern language laboratory helps students perfect their ability to communicate orally with people of modern nations, while the study of the Classical languages develops students' understanding of Classical and of Biblical literature. The speech and English courses promote an interest in English and American culture and in everyday communication.

WHO'S WHO
AMONG
STUDENTS
IN AMERICAN
UNIVERSITIES
AND COLLEGES
1961-1962

Olivet Nazarene College proudly presents eighteen students to Who's Who Among Students in American Universities and Colleges. These students are elected to this high honor on the basis of "character, scholarship, participation in extra-curricular activities, service to the school, and potentiality for future usefulness in business and society." This honor gives each student-elect the privilege of wearing the official key—the symbol of outstanding achievement in college. A biographical sketch of each student appears in the current volume of *Who's Who Among Students in American Universities and Colleges*, which serves as an aid to personnel managers seeking capable college graduates.

To each of these outstanding students Olivet Nazarene College extends sincerest congratulations and best wishes for a useful and successful life.

Classes

A liberal arts college like Olivet is necessarily made up of four classes. To the Freshman college life seems like one neverending task. To the Senior looking back it appears a pleasant sojourn. Juniors and Sophomores are caught in the middle deciding which way to look for light.

The entering Freshmen is typed as "green" and timid. By the end of the first year he has acquired a degree of maturity. Sophomores develop this maturity. Juniors become even more sophisticated and knowledgeable and make ready to take the reins as Seniors. Seniors put the finishing touches on their college life in preparation for assuming life-time roles.

Truly by the end of four years—"The times we spent within these halls will ne'er forgotten be . . ."

Seniors

Seated left to right: Ronold Workman, vice-president; Arthur Fisher, treasurer. Standing: Carroll Roose, president; Professor Leonord Anderson, sponsor; Patricia Hughes, secretary.

As seniors we look back upon our four years of college experiences here at Olivet with feelings of pride and accomplishment. We have negotiated a few of the lower hurdles of intellectual, social, and spiritual knowledge, made life-long friendships, and selected future vocations. The memories of the past four years are numerous and happy.

But we are stepping forth into a new life. Many battles and hurdles still lie ahead. Our years at Olivet have enriched and strengthened our lives physically, mentally, socially, and spiritually. We have a debt to pay. We entered to learn; we are stepping forth to serve.

Juniors

Seated: Koren Reeves, secretary; Standing left to right: John Crabtree, treasurer; Steve Glodding, vice-president; Ronold Scott, president; Professor R. L. Lunsford, sponsor.

During this year we have passed many milestones in our college journey. We have assumed greater school leadership, and this year's Student Body President came from among our ranks. The upper division courses which we have taken have helped us step forward into our various fields of specialization, and the Halloween Party and the Junior-Senior Banquet which we sponsored are signs of our social progress.

Many acquaintances have been renewed, and new friendships have been made. This year has been a very good one, but we are looking forward to our senior year with even brighter hopes and expectations.

We, the Class of '65, enjoyed a very successful year. We again won the Frosh-Soph Day tug-of-war and were the winners in the "Quarters for Christ" campaign which the Missionary Band sponsored to raise money for a West Berlin church building. The class basketball tournaments were especially exciting to us as our fellows became champs in the men's division, and our girls runners-up in the women's division. Our most important success, of course, was jumping the hurdles of the Sophomore tests and the English usage test.

Provides necessary impetus

The tug-of-war became muddy fun for those on the wrong end of the rope on Freshman-Sophomore Day.

Freshman

Seated: Marilyn Darby, secretary; Standing left to right: Jerry Densmore, president; Professor John Hanson, sponsor; Kenneth Armstrong, vice-president.

Last September we were just 430 individuals enrolling at college for the first time, but now we are the united and spirited Class of '66. We demonstrated this spirit on several occasions this year. Our spirits remained untarnished during the Frosh-Soph Day tug-of-war even though we were dragged through the "ol' mudhole." The all-school party, "Fun, Fun, Fun," which we sponsored, was well received, and we had the most spirited cheering section at the men's class basketball tournament, even though the Sophs did edge us out of the championship.

Our Advertisers

For the loyal support and cooperation on the part of the local merchants and the districts and churches on our educational zone, we give our thanks. Olivetians are able to show their appreciation for this support by serving the local community through their patronage and service. Because of our Christian-centered training, we are able to serve our districts and churches as Christian businessmen, teachers, pastors, social workers, and participants in other professions, thus bringing us in contact with our advertisers. Through these associations and transactions, we have the opportunity to serve and witness of Him.

I AM THE CHURCH COLLEGE

I am the oldest institution of higher learning in America. Before there had been state universities or other institutions of college rank, I had been founded. For over 300 years, I have served my country well. These centuries of service vindicate my right to be.

I stand for life's highest ideals. I search for truth, believing that I may light the torch of truth anywhere. I lay emphasis upon genuine scholarship. My graduates are among the nation's greatest scholars.

I believe in God. In the student's expanding circle of adjustment I open wide the portal to the unseen world of spirit. My sons and daughters are men and women of spiritual power.

I train for service. Through me, culture dominates the work of the world. I give leadership to the nation. From me have come presidents, judges, governors, legislators, educators, editors, in greater proportion than any other source. Upon me the church depends for its preachers, its teachers, its missionaries—all its leaders. Without me the work of the church could not go on.

I deserve your support. I receive from each student less than half the cost of what I give. From me the poor are not turned away. I still look to you, the members of the church, to make this possible. I cannot continue the splendid record of the past unless I have your help.

I am the church college. I need your prayers and your gifts.

"If it's glass you want we have it."

These popular recordings have been well received. They were released with the purpose of glorifying God and blessing the hearts of their listeners.

- DLP-1 A NAME I HIGHLY TREASURE featuring James Bohi with Ovid Young (side 2) at the organ. Other numbers on this album: Until Then • A Heart Like Thine • Then I Met the Master • It's Real • God Leads Us Along • Jesus, Name I Love • Follow, I Will Follow Thee.
- DLP-2 CRUSADERS QUARTET singing such favorite numbers as: A New Name In Glory • I Would Be Like Jesus • Heavenly Love • When I Survey the Wondrous Cross • Leave Your Heavy Burden at the Cross • Springs of Living Water, and others.
- DLP-3 I WALKED TODAY WHERE JESUS WALKED featuring Irene Beasley and the Tru-Tone Trio. You will enjoy these arrangements of: Calvary Love • In The Garden • I Found A Friend • Way-faring Stranger • Were You There • Room At The Cross, and other favorites.

These recordings are available at local religious book stores, or may be ordered from OLIVET NAZARENE COLLEGE BOOK STORE, KANKAKEE, ILLINOIS; OR THE NAZARENE PUBLISHING HOUSE, 2923 TROOST AVE., P.O. BOX 527, KANSAS CITY, MISSOURI.

Finis

The 1963 Aurora is the product of many long hours of work. We would like to take this opportunity to express our appreciation to those who have given so freely and willingly of their time in order that this book might be published. First of all we wish to thank Professor D. J. Strickler for his long hours of dedicated work as advisor and photographer. To Professor Fordyce Bennett we extend our thanks for his cooperation as literary critic. We also wish to extend our gratitude to the Aurora Staff members who worked diligently and long, to William Bennett for checking the spelling of names, to Blankenberg Photographers for their excellent workmanship, to Durand Covers for a beautiful cover, to Paul Hubartt for his art work, and to the Interstate Publishers for transforming the results of our efforts into a readable yearbook.
